ACH is the name used to describe the financial services based on the Electronic Transfer of Funds instead of the current check system.

WHAT DOES ACH MEAN TO YOU - In a nutshell - CONVENIENCE AND ECONOMY?

Through ACH, the City of Frisco offers you the opportunity to pay your *Water/Sewer/Sanitation* payment without writing a check or mailing it.

With your authorization, the amount due on your statement will be drafted from your bank account on the due date. This will be done each month until you cancel the authorization.

The convenience to you is obvious. You will still receive your monthly statement, but you do not have to spend the time writing and mailing a check.

An ACH payment is also economical. You save postage and time each month. You will never receive a LATE CHARGE because your payment is automatic.

To sign up, just fill out the authorization form, return it with your next payment, fax it or email it to us along with a copy of your voided check.

The City of Frisco is proud to offer this service to you. We continue to look for ways to better serve our citizens.

If you have any questions, please call (972) 292-5575.
